(3) In accordance with GO No 4334-43 Rev-809-16-2 dated the 17th June 20, all major Inams are directed to contribute 5% of their income towards the formation of the Muz: Endt Fd. The Muz: Commr says that in forming the fund, he has taken Rs 549 out of the Chattram Savings as follows & requests sanction thereto:-

	Rs	as	ps
Savings as per GO of the 17th April 24	6,626	8	0
Savings as per GO of the 11.10.18	2100	8	0
Savings accrued by abolition of chattrams at Sera, Sibi, Shimoga & Mandagadde	2253	0	0
Total	10,980	0	0

5% of this amt. is Rs 549-

part of the orders directing the certificates to be issued during May in question.

So from the total savings of 10980 Rs, 5% amt of 549 and 12 (= 621) has to be deducted. The balance of Rs 10,359 will be total amt under 'Chattram Savings'

(4) While abolishing Chattrams at Sera & Mandagadde in GO Nos 538-41/Rev-150-22-4 & 22-10-23 & 25-12-13/Rev-282-22-3 & 16-3-23 it has not been indicated how the three Sanskrit Grants should be disposed of. The Muz Commr recommends that they may be credited to the Chattram Savings.

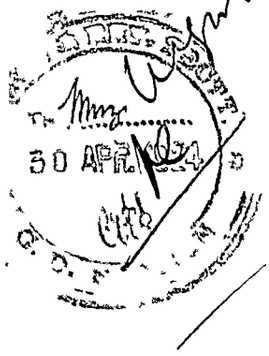
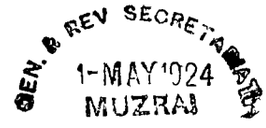
Urgent

409 of/22-3. Office of the Mural Commissioner, Circle,
Mat a Parvatore, 30th April 1924.

Chardy, Esquire., P.A.,
Mural Commissioner in Mysore,
Tarikere.





Dno. 2142

K. V. Arartaraman, Esquire., P.A.,
Secretary to the Government of
Mar 282-23-2
in charge the Palace of Mysore,
Revenue Department.

Sir,

With reference to Government Proceedings No.1462-79/A.I.260-23-11 dated 17th April 1924, directing the abolition of Mural Rest-houses in the State, I have the honor to state that against the rest-house at Tarikere a sum of Rs.666-6-0 is shown as savings and this amount along with the establishment charges of other Rest-houses is ordered to be credited to the head of "Plattram Savings". As the payment of a cash refund of Rs.6/- a month to the Sri Subramanya Swami temple at Tarikere has been sanctioned by Government in their order No.969-70/A.F.167-23-2 dated 12th January 1924, I request that orders may be issued to reduce the amount to be credited to Plattram Savings by Rs.72/- and the same included under "Payment of refund charges."

2. In the statement appended to the order it has been indicated that as the Rest-house at Orama in the Hassan Taluk had no building at present, it may be abolished with effect from 1st July 1924. ---- There is a fairly good building at Orama and the Rest- house is ---- located therein. The establishment charges of Rs.72/- may be available out of the original savings of the Orama Plattram and may be utilised for locating a Rest-house at Harohalli to serve the needs of the numerous visitors, (Vide G.O.No.491-99/A.F.1-1067 dated 11 August 1918) but further action to acquire land and to erect the new building was suspended. The Rest-house at Orama is situated on a small extent of inam land yielding about Rs.1-8-0 per year

amount was found sufficient to pay for a care-taker on Rs.7/- a month and to meet the cost of periodical repairs to the building, it was -- ordered in the proceedings of the 13th August 1918 that the building at Orama should be maintained for the occasional use of the travellers. It is therefore the proposed Rest-house at Halebid that has to be --- abolished and not the one at Orama. I request to be informed whether the Orama building may be continued as a Rest-house, the charges of - maintenance being met from the income of Inam lands.

3. In this connection, I beg to bring to the notice of Government that for purposes of administration all feeding chattrams and Rest-houses in the State are considered to be Major Kuzrai Institutions. (Vide also para 1 of a set of Rules framed under Sec.15 of Government Order No.4334-43/R.F.09-18-2 dated 17th June 1920 all these Institutions are liable for payment of a contribution of 5 % towards the Kuzrai -- establishment Fund. In the proposals recently worked up by me and submitted to Government through the Comptroller to Government, the amount -- derivable from a percentage levy has been taken on receipt side and -- the expenditure adjusted accordingly. No exception has also been -- made in the case of chattrams and Institutions under permanent management of Government, viz., Chik Dasamaiya's charities, Mysore, Tommaiya's Chattram, Mysore etc. If percentage contribution is not recovered - from these Institutions though abolished now, it will be difficult to balance the expenditure to be met out of the "Kuzrai Establishment -- Fund."

The amount now ordered to be credited to the head of "Chattram Savings" is Rs.6626-8-0, in addition to the sum of Rs.2100-8-0 already held to its credit (vide para 4 of Government Order No.804-17/M.F.177-14-10 dated 11th October 1916) thus making a total of Rs.8727-0-0. To this has to be added the tasdik grant of the chattrams at Sira, Sibi, Shimoga and Nardagadde amounting Rs.3253-0-0. Necessary --- provision has already been made out of the tasdik grants of the -- abolished chattrams at Ilwal and Varuna on account of the above --- contribution. In the circumstances stated above, I beg to recommend that a sum of Rs.549/- may be ordered to be transferred to the ---- Kuzrai Establishment Fund and the balance held to the credit of -- Chattram Savings."

In ordering the abolition of the chattrams at Sihalandagadde (Vide Government Order Nos.538-41/M.F.150-23-14 dated 27th October 1923 and 3512-13/M.F.282-23-2 dated 16th March 1923), it has not been indicated to which head the grants attached to them should be credited. I am of opinion that these amounts may also be credited to "chattram savings" along with other sums of the kind.

5. Early orders on the above points are solicited.

I have the honor to be,

Sir,

Your most obedient servant,
